

## **COMPANY PROFILE**

Domestic cookware is the manufacturer and exporter of Aluminum kitchenware and Aluminum cookware. Quality of products and value for money, this became a genesis of Domestic with its products like pressure cooker, steam roaster, Aluminum Cooking Set, Casserole Set, Metal Finish Sauce Pan, Aluminum Frying Pan, Metal Finish Gift Set, Aluminum Milk Pan, Aluminum Frying Pan, Metal Finish Fryer, Aluminum Wok Set, Aluminum Pots & Pans, Non-Stick Frying Pans, Non-Stick Pizza Pan, N/S Casserole, Non-Stick Baking Disk, Grill Pan, N/S Wok, and other utensils.

We are contributing more than 20% of local market share in our main core products. To maintain the quality and performance Domestic always accomplished the British & CE standards and tries to update the changes in products along with introduction of new standards.

Domestic cookware was established in 1978. We are one of the beginner manufacturers of pressure cooker in Pakistan, for the last 39 years we are striving for better innovation for their safety system and shapes. With the grace of God we are the first who introduce 3 way safest safety valves system which have 100% risk free factor of any incident and also make it cooking machine which can make food 70% faster than any other utensils.

For health reasons, we manufacture our products under special process to improve the density of aluminum and use special chemicals that makes aluminum better cookware.

Our Company aim is to manufacture quality material combined with quality construction and reasonable price & main motto is the complete satisfaction of our customers with quality, and standard and in time delivery + Service and spare parts availability + new improved Products.

We are looking for good business partners from all over the world which buy our products range and make contracts and venture with our company.
