

KARAMBE TEXTILES

Company Profile

We would like to introduce ourselves as one of the biggest manufacturers & exporters of Home Textile & Fabrics Products in Faisalabad, Pakistan. Karambe Textiles has been the name of one of the most innovative and leading textile producers. Karambe Textiles has become one of the leading symbols of quality products in the textile industry.

Karambe Textiles having production units of Weaving, Dyeing & Stitching is capable of producing multi orders, fast and good quality products according to requirements.

Our stringent commitment to global standards of Quality has seen us grow phenomenally over the last decade, to create a niche of our own, in the highly competitive world markets. Our unchallenged variety of product is already a rage in several Far East and European nations.

Mission

The foundation of KARAMBE Textiles was laid in 1996. Since its inception as a trading base export house, the company has expanded & diversified into a vertical based manufacturing & finishing operation consisting of a weaving unit, processing unit comprising of dyeing & finishing along with a well-equipped stitching unit.

I am proud of the fact that in the pursuit of achieving excellence the management & production teams have put in their best skills to bring continuous success to the company & it's with them we will continue to make future full of achievements. Our vision is to grow into value added products to meet & exceed the expectations of all our valuable customers to whom we are committed to provide the finest possible service & value.
